Sir,

With reference to your docket No
3034 dated 18th February 1905 and on regard
No. 3163 dated 24th January 1906 calling
for further information in the matter of
conducting the utsavas of the Sri Mahadeswara
swamy on the Baby betta Krishnarajpet
Taluk, I have the honor to state that
the Amildar of the Taluk reports that
on enquiry it is ascertained that Maha
-deva shastry has consented to do the puja &c
as per orders of Govt and wishes of the Dharma
-darsees. The Amildar further reports
that Chikkabyrappa gowda and others have deposed
to the effect that ever since Rama Yogiswara
left the place and even prior to that incident
they have been conducting the Rathotsavam

and all other Utsavas, that they are quite willing to continue the same in future also, that they are not aware of any others who take the same interest as themselves, that they must be permitted to collect fees on cattle brought for sale on the occasion of Rathothsava and on the shops that might be located there, that police help may kindly be given to them at the time of the Jatra to maintain order and peace, that they have collected stones for the purpose of building a mantab in front of the temple and that permission of Govt. may kindly be given therefor.

It is further reported by the Amildar that the temple owns neither inam lands, nor a cash grant from Govt. The temple has a large sum at its credit after meeting the cost of restoring the tank. The income is increasing since the year 1906 and Rachepuvda and others have spent Rs 123-4-3 during the Jatra of 1905 & 1906, which amount is to be refunded to them. The surplus of the 3 years since 1906 is being credited to swell the amount already at the credit of the institution. That the Palace authorities are meeting the Jatra expenses since 1910-11 and the income realised from Golaka etc is credited to the funds. That the Jatra will have to be celebrated

(Rs 234-12-1)

during Deepavali and Sivaratteri, of which the latter is of the greatest importance.

The Amildar is of opinion that the institution be taken under Govt. management and a Scale be prescribed therefor. Further the Amildar reports that the institution is situated in a Kaval belonging to the Palace and that the Palace authorities are incurring the Jatra Expenses for the past 2 years and that the income from Golaka etc are being credited to Muzrai funds. He solicits instructions in the matter of maintaining accounts pertaining to the temple.

Under the circumstances I solicit instructions
3 as to who should manage and maintain the institution which is situated in a Kaval belonging to the Palace, and as the Jatra Expenses are being defrayed by that authority and the income credited to Muzrai funds.

A requisition having been made in this connection the Huzur Secretary in his letter No.5283 dated 25th June 1919 (copy enclosed) states that there is no need to furnish any further information as it is not considered expedient to transfer to Government the management of the temple which is situated in the midst of the Palace Kaval.
